

**West White Rose Project
Request for Information (RFI)
Sandface Completion Solutions - Reference No. 8.41.1.007**

Husky Energy Inc. (Husky), operator of the White Rose field and satellite extensions, is seeking supplier information relating to sandface completion solutions and downhole reservoir evaluation for the West White Rose Project (WWRP). Specifically, Husky is requesting that suppliers share technical information on new technologies and solutions available. Suppliers interested in providing information to Husky are asked to complete the contact information table below and send via email to travis.burke@huskyenergy.com no later than **Monday, March 19, 2018 at 12:00 p.m. (Newfoundland Time)**:

Reference No.:	8.41.1.007
Company Legal Name:	
Company Full Address:	
Company Phone Number (Main):	
Contact Full Name:	
Contact Phone Number:	
Contact Email Address:	

Husky will subsequently send interested companies a Confidentiality Agreement for signature, followed by a detailed RFI package outlining the requested scope and relevant project data. At Husky's discretion based on information received, suppliers may be requested to provide a presentation on recommended solutions (anticipated during the week of March 22-29, 2018). It is expected that presentations will be supported with documentation provided to Husky (copy of presentation, equipment information and specs, etc).

This RFI is for knowledge purposes only and is not a basis for supplier prequalification. A formal Expression of Interest / Prequalification process will be carried out at a future time in accordance with Husky's standard procurement process.

If you have any questions, please contact:

Travis Burke - Category Specialist, WWRP Operations
Phone: (709) 724-5628
Email: travis.burke@huskyenergy.com

Please note that any updates to the above noted RFI will be posted on the Husky website accessible by the following links:

http://wwrp.huskyenergy.com/Procurement_Opportunities

or

<http://www.huskyenergy.com/operations/procurement-opportunities.asp>

Please check periodically during the pre-submission period for any updates that may be posted.
